Insides

Information Management with RHB Reflex

RHB Reflex is a service that helps ease the complexity of banking for various business transactions at your comfort and convenience. Empower your business today and subscribe to RHB Reflex by opening an RHB Current Account at any of our branches.

RHB Reflex Benefits

Stay up-to-date with the latest account information for all your cash flow – anywhere, anytime.

Saves time, increases efficiency, boosts productivity.

Enjoy peace of mind with advanced security features.

Manage and perform all payments at your convenience.

Get real-time information on account balances, incoming funds and transaction enquiries

- **Consolidated balances**
Single view of the available funds in your Current Account(s) and Fixed Deposit(s).
- **Online enquiries**
Access past account transactions.

RHB Reflex Security

- **Data encryption**
Data is sent in an encrypted format using Secure Socket Layer (128-bit SSL) to ensure the security of sensitive information. It is a prevalent security protocol used widely in most Internet-based transactions.
- **Secured application access & authorisation**
Password theft is nearly impossible as each login requires a password uniquely generated by a security token to prevent unauthorised access to your account.
- **Audit trail**
All user activities performed in RHB Reflex are captured, and activities can be reviewed accordingly.
- **Dual System Administrator**
Any amendment to the account setup would involve 2 parties (System Administrators and Authorisers) to provide access control to your business.

Deposit Insurance Scheme

Singapore dollar deposits of non-bank depositors are insured by the Singapore Deposit Insurance Corporation, for up to S\$50,000 in aggregate per depositor per Scheme member by law. Foreign currency deposits, dual currency investments, structured deposits and other investment products are not insured.
